

**ARRACO IRELAND LIMITED TERMS OF BUSINESS (THE
"TERMS")**

ELIGIBLE COUNTERPARTY

1. General Information

- 1.1 ARRACO Ireland Limited or AIL is authorised and regulated by the Central Bank. Our registered office is at Two Haddington Buildings, Haddington Road, Dublin, D04 HE94, Ireland and our company registration number is 657826. AIL is part of the ARRACO Group and its parent company ARRACO is authorised by the Financial Conduct Authority.
- 1.2 The Central Bank's address is New Wapping Street, North Wall Quay, Dublin 1, D01 F7X3. The CBI's website is www.centralbank.ie.
- 1.3 For the purposes of the MiFID II Rules, we categorise you as an Eligible Counterparty. You have the right to request a different client categorisation offering a greater level of regulatory protection, but in that event we may not be able to provide our services to you.
- 1.4 We are a member of the compensation scheme ("ICCL") as provided for by the Investor Compensation Act ("ICA"). You may have a right to compensation where: (a) you are an Eligible Investor as defined in the ICA; (b) we are not in a position to return your money or investment instruments; and (c) to the extent your loss is recognised for the purposes of the ICA. Payments under the scheme in respect of losses will amount to the lesser of (i) 90% of the total loss which is recognised for the purposes of the ICA, or (ii) EUR 20,000. However, clients classified as Eligible Counterparties under Mifid are not considered Eligible Investors under ICA and therefore cannot claim any compensation via ICCL.
- 1.5 We arrange transactions in electronic and voice broking services in certain over-the-counter petroleum products and energy market products, including, oil, natural gas and electric power. In addition, we are authorised by the Central Bank to operate an
- OTF in respect of the products listed in the OTF Rulebook, a copy of which is published on our website at www.arraco.com. The Market Identifier Code for our OTF is AILT.
- 1.6 In relation to OTF Products, the services we provide involve the use of discretion by our brokers in the arranging of Transactions on our OTF. When you instruct us to arrange any Transaction in respect of OTF Products, you agree that you instruct us to arrange such Transaction on our OTF only and not on any other form of trading venue.
- 1.7 You agree that any Transaction you instruct us to arrange on our OTF will be subject to the OTF Rulebook published on our website at the time of such instruction. The OTF Rulebook, which forms part of this Terms, is an important document which sets out the rules relating to trading on our OTF. We strongly advise that you review this document in advance of trading on our OTF.
- 1.8 We will not be a party as a principal to any transaction. We will only execute a transaction as your agent. We cannot take title to the products that you wish to buy or sell, and we cannot assess the legal capacity of counterparties to enter contracts relating to the commodity products, nor we can guarantee delivery of the underlying commodity nor assess the creditworthiness of counterparties.
- 1.9 You agree that you and the relevant counterparty will be wholly responsible for the settlement of each Transaction and you will not rely on us for any settlement. Such Transactions will be settled and confirmed by the specific terms of the written confirmation, if any, between you and the relevant counterparty in the accordance with the terms and conditions of your underlying agreement with the relevant counterparty.
- 1.10 By entering into these Terms, you accept that the counterparty to any transaction may be another client of AIL and that we may act as a broker for that counterparty at the same time and in the same capacity as we do for you.

1.11 You agree that at the time you instruct us to arrange any Transaction for you, such Transaction will be subject to these Terms which will be updated from time to time and will be published on our website on an ongoing basis.

1.12 In asking us to arrange any Transaction, you represent that you have been solely responsible for making your own independent appraisal and investigations into the risks of the Transaction and, where you are notified of the identity of the counterparty to the Transaction in advance of the Transaction being arranged by us, the risks associated with such counterparty. You represent that you have sufficient knowledge, market sophistication, professional advice and experience to make your own evaluation of the merits and risks of any Transaction. We give you no warranty as to the suitability of the products traded under this Agreement and assume no fiduciary duty in our relations with you.

1.13 All Transactions are subject to Applicable Laws so that: (i) if there is any conflict between this Agreement and any Applicable Laws, the latter will prevail; (ii) we may take or omit to take any action we consider necessary to ensure compliance with any Applicable Laws; (iii) all Applicable Laws and whatever we do or fail to do in order to comply with them will be binding on you; and (iv) such actions that we take or fail to take for the purpose of compliance with any Applicable Laws shall not render us or any of our directors, officers, employees, or agents liable.

2. Charges

2.1 Unless we agree otherwise, you shall pay our fees, commissions and other charges as set out in the commission schedule applicable to the Transactions we arrange on your behalf. All payments to us under this Agreement shall be made within thirty (30) days of the date of the relevant invoice.

2.2 Where you instruct us to arrange a Transaction in an OTF Product on our OTF, you agree that such Transaction may be subject to the OTF fees

specified in the OTF Pricing Schedule, which is available on our website. You will be invoiced separately for any applicable OTF fees in accordance with the OTF Rulebook. If you request to receive disaggregated pre-trade and post-trade information from us in respect of OTF Products, we shall charge you an additional fee for such information which shall be as advised to you at the time of such request.

2.3 We reserve the right to charge you interest on any sum which you fail to pay us when due at the rate of (i) either overnight SONIA (if GBP), Fed Funds (if USD) or overnight Euro short term rate (if EUR) plus (ii) 2% per annum, for each day for which such amount remains unpaid.

2.4 You should be aware of the possibility that other taxes or costs may exist that are not paid through or imposed by us.

3. Instructions and Basis of Arranging

3.1 You may give us instructions by telephone, email, IM or via other electronic means unless we tell you that instructions can only be given in a particular way. If you give instructions by telephone, your conversation may be recorded. If you give instructions by email or other electronic means, they shall not be deemed to have been accepted by us unless or until a member of our staff acknowledges their receipt and, for this purpose, an automatically produced evidence of delivery or receipt shall not constitute acceptance.

3.2 You will notify us in writing of the identity of the persons authorised to trade on your behalf and any restrictions on any counterparties with whom you may trade. We may in our absolute discretion refuse to act on instructions.

3.3 We may allow you to enter into Transactions electronically. Where we do so, you agree to be bound by such other terms and conditions as we may specify from time to time in relation to doing so.

4. Block Trades

- 4.1 Where we arrange block trades for you, such block trades will be subject to the rules of the relevant exchange or clearing house and we will have a regulatory obligation to report such block trades to the relevant exchange or clearing house within certain time limits.
- 4.2 You must ensure you have appropriate permissions and position limits in place before entering into the underlying Transaction with us.
- 4.3 You must also ensure that the details of the account through which you want us to clear any block trade are correct when first given to us. After receipt of confirmation of registration of a block trade from the relevant exchange or clearing house, we reserve the right to decline any request by you that we re-submit the block trade to a different account of yours, whether at your original clearer or any other clearer, and require that you instead liaise directly with your clearer to effect any such change.
- 4.4 Where we are posting block trades on your behalf, we are required to obtain your consent on a pre-trade basis to disclose: (i) your identity; and (ii) other details relating to the trade, to potential counterparties to such block trades. Please note we may also provide such details to any other market participants on a post-trade basis unless you expressly request that we do not do so at the time of execution. By continuing to do business with us, you will be deemed to have consented to such disclosure.

5. Confirmations and Disputes

We will email you confirmations on the same day of each Transaction. You will notify us immediately upon receipt if you are not in agreement with any trade confirmation or other notification from us. In the absence of such immediate notification by you, the trade confirmation or notification will (in the absence of manifest error) be conclusive and binding on you.

6. Order Execution Policy

AIL will arrange Transactions in accordance with the terms of our Order Execution Policy. When arranging your order, AIL will take all sufficient steps to deliver the best possible result, but we cannot guarantee delivery of best execution on every single order executed on behalf of the AIL. This may be for a variety of reasons, including, for example: other dealers/markets may have better prices; other orders may trade ahead of yours; decisions or system failures may prevent/delay execution of orders or cause orders not to receive the best possible outcome. Our Order Execution Policy has been published at www.arraco.com. You consent to receiving a copy of our Order Execution Policy in this way. You expressly consent and agree to: (a) the terms of our Order Execution Policy; and (b) your orders being executed in accordance with the Order Execution Policy.

7. Incidental Information

Where we do provide market commentary or other information:

- this is incidental to our relationship with you. It is provided solely to enable you to make your own investment decisions and does not amount to advice;
